

The Annapolis Chapter of The American Guild of Organists

Chapter Friend Membership Application

Chapter Friend membership is for those who are interested in the news and activities of our chapter, but don't desire the benefits of AGO

National Membership. Chapter Friends receive these benefits:

-  Monthly newsletter, THE ANTIPHON, which contains news of local AGO events as well as special organ and church-music events in our area, which includes Anne Arundel County and Southern Maryland.
-  The ability to share news of events in your own church which are open to the public, such as concerts, recitals, or music workshops.
-  Inclusion in and access to our chapter membership directory.
-  The opportunity to join a community of fellow lovers of organ music by attending Annapolis AGO concerts, workshops and social events.

This is available for annual dues of \$35.00.

Chapter Friend membership is considered appropriate for church musicians who do not get paid for their music leadership in the church and for others who want to encourage and support organists and church music.

Membership in the National American Guild of Organists includes membership in the local chapter, a subscription to the AGO's monthly magazine *The American Organist* and Chapter and National election voting rights. This is the best membership for church musicians who are paid. Join by applying online at agohq.org.

For Chapter Friend membership, please complete the Chapter membership form and mail it to the address below along with your check for \$35, made payable to Annapolis Chapter, AGO.
